

Truly Magical

Festive fun for all the family is in store at the scenic Watercress Line, with a special visit from Santa and his jolly helpers getting everyone into the festive spirit.

'Santa Specials' train journeys will be taking place throughout December, offering a truly magical experience for children and adults alike.

As you travel along the historic Mid Hants Railway in a festive traditional train carriage, Santa and his jolly helpers visit you in your seat with a special gift.

White wine and mince pies will be available for adults, with soft drinks on offer for the children.

The 'Santa Specials' are a one-hour round trip, departing from either Alresford or Alton, on 5th, 6th, 12th, 13th and 19th-24th December. Tickets are priced at £18 per person, and £19 on 24 December.

Plus, on Saturday 26th and Sunday 27th December, there's a chance to experience the atmosphere of a World War Two Christmas at 'Christmas Leave'. Join civilian and military re-enactors and witness the relief and joy of returning home from war, with song, dance, steam and seasonal merriment.

Tickets for Christmas Leave are £17 for adults, £9 for children (two to 16) and free for children under two.

To book tickets for either event, and for further details of departure times, visit watercressline.co.uk
